

LOOKING FOR CHILDREN PARTICIPANTS

for research study titled

Energy expenditure in children with Prader-Willi Syndrome while walking on a treadmill

PURPOSE:

This study will find out how many calories children with Prader-Willi Syndrome (PWS) spend while walking on a treadmill at different speeds.

REQUIREMENTS:

- ★ Children with and without PWS ages 7-12 years old.
- ★ Ability to walk continuously for 5 minutes.
- ★ Complete 1 site visit at California State University, Fullerton lasting 2.5 hours.

Children will receive a small incentive (\$20 gift card) for their participation!

If you are interested, please contact Frank at frank.chavoya@csu.fullerton.edu, Dr. Daniela Rubin at drubin@fullerton.edu, or the research office at 657-278-3671.

THANK YOU!
